Opposite: A ballet-inspired cropped top is packed with stage presence. The stockinette piece with set-in sleeves has laced center ties and piping along the cuffs and hem. All garments are knit in "Studio Mohair 8-ply" by Cleckheaton/Plymouth Yarn.

This page: The bouncy collar of this delicate surplice top is worked separately—short rows and increases create the ruffle—then sewn around the neckline. The stockinette torso and sleeves are ribbed at the edges.

MOHAIR CARE

- The light-as-air, lofty sweaters in this collection are made from mohair, the fiber of the Angora goat (native to Ankara, Turkey).
- Wash by hand in lukewarm water with a mild detergent formulated for delicates.
- Squeeze water gently from garment without pulling or wringing.
- Dry flat on a towel or tumble dry inside a pillowcase on a gentle, low-heat setting.

Stretch the seasonal life of summer skirts with a pair of funky leg warmers, shown here in "Fiamma Stampato" by DIVE/Cascade Yarns. A terrific beginner's project, the warmers take form with a basic K2, P2 rib, require no shaping and can be worked either seamlessly in the round or flat with a back seam.

MOVING YARN BACK AND FORTH

When knitting a stitch, the yarn is always held at the back of the work. When purling a stitch, the yarn is always at the front. In ribbing, when you change from a knit to a purl stitch, you must be sure the yarn is in the correct position to work the next stitch. When you are moving the yarn from the back to the front, or vice versa, the yarn should go between the two needles, and not over them.

LEVEL 1

Call them extreme wrist bands: Cozy arm warmers in "Point 5" by Colinette/Unique Kolors give a huge return for very little effort. Start at the wrist edge and knit stockinette right up to the elbow. Like the leg warmers opposite, these can be stitched flat and seamed up the back or plied on double-pointed needles without a seam.

BAR INCREASE

1. To increase on the knit side, insert the right needle knitwise into the stitch to be increased. Wrap the yarn around the right needle and pull it through as if knitting, but leave the stitch on the left needle.
2. Insert the right needle into the back of the same stitch. Wrap the yarn around the needle and pull it through. Slip the stitch from the left needle. You now have two stitches on the right needle.

This page: This hat builds on the K2, P2 ribbing you perfected in tube form in Level 1. It uses the same yarn—"Point 5" by Colinette/Unique Kolours—as the arm bands in Level 2. Cast on at the lower edge, then decrease as you move upward to produce the domed effect. Once again, choose your method: The topper can be completed either in the round or flat with a back seam.

Opposite: Good going—you're ready to tackle a sweater. This self-finishing pullover, done entirely in stockinette stitch, couldn't be simpler. Side-seam shaping and angled armholes facilitate elementary seaming. And the rainbow palette occurs naturally, courtesy of Naturwoolle/Muench Yarns' variegated "Black Forest."

SKP (SLIP 1, KNIT 1, PASS THE SLIP STITCH OVER)

1. Slip one stitch knitwise, then knit the next stitch. Insert the left needle into the slipped stitch as shown.
2. Pass the slipped stitch over the knit stitch and off the right needle.

HOW TO BEGIN SEAMING

1. If you have left a long tail from your cast-on row, you can use this strand to begin sewing. To make a neat join with no gap at the lower edge, use the technique shown here.

Thread the strand into a yarn needle. With the right sides of both pieces facing you, insert the yarn needle from back to front into the corner stitch of the piece without the tail. Making a figure eight with the yarn, insert the needle from back to front into the slitch with the cast-on tail. Tighten to close the gap.

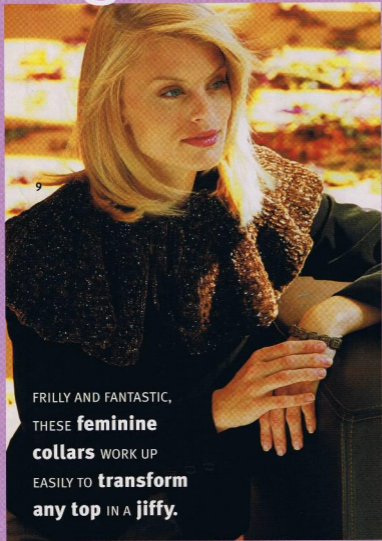

VERTICAL SEAM ON STOCKINETTE STITCH

2. The vertical seam is worked from the right side and is used to join two edges row by row. It hides the uneven stitches at the edge of a row and creates an invisible seam, making it appear that the knitting is continuous.

Insert the yarn needle under the horizontal bar between the first and second stitches. Insert the needle into the corresponding bar on the other side of the piece. Continue alternating from side to side.

These collars, designed by Cari Clement, are machine-knit horizontally in stockinette stitch. Short rows create the ruffles; single crochet finishes the top and bottom edges of both pieces. The collar shown left, worked in Caron International's "Glimmer," closes with crocheted chain-stitch ties; the one opposite fastens with a button and is stitched in "Feathers," also by Caron International. See Patterns section for hand- and machine-knitting instructions. For more tips on fashioning these collars on a machine, turn to page 28.

Right: Sandi Prosser's hoodie, made in Bernat's speckled "Denim Style," is all the more relaxing for its roomy kangaroo pouch, knit separately and sewn in place after the pullover is finished (as is the two-piece hood). Dropped shoulders and elastic Ks, Pz ribbing at the cuffs, waistband and pocket sides render it even cushier. All men's garments on these pages are standard fitting.

12

Left: Just try to keep your hands off him—or the sweater, at the very least—when he wears this deep V neck stitched in an overall textured rib. Kathy Zimmerman polished the pullover, shown in Patons' "Classic Merino Wool," with a Ks, Pz ribbing at the waist, sleeve hems and neckline.

13

Opposite: Rugged is the word for Elena Malo's zippered cardigan with vertical set-in pockets, done in "Lepi" by Reynolds/JCA. A deep (3") (7.5cm) knitted-in hem gives the sweater body; the sleeves are formed with a combination of raglan and saddle-shoulder sleeve shaping and begin with the same K2, P2 rib that borders the neckline. (Instructions for the child's "monkey" sweater can be found in the Patterns section.)

This page: He'll be sure to play it close to this smart vest, designed by Kathy Zimmerman in "Donegal Tweed" by Tahki Yarns/Tahki+Stacy Charles, Inc. Fashioned in reverse-stockinette stitch, it boasts K2, P2 ribbing along the eight-button placket, neck, armholes and lower edges. The defining feature: intertwining diamond cables that highlight the front and continue on two matching panels on the back.

Opposite: Handsome bands of saturated color mark this V neck with raglan sleeves. Stockinette stitch from top to bottom—in “Lamb’s Pride Worsted” by Brown Sheep Company—creates a stylish hemline with a casually rolled edge.

A loose-fitting cropped cardigan—a shawl with sleeves, for all intents—is knit horizontally by alternating stockinette with an openwork pattern on the fronts. The sleeves are finished separately, then sewn into armholes bound off from the main piece. Lion Brand Yarn's "Landscapes" provides the intense variegation.

Quadruple
Drop Stitch

STITCH WORKSHOP

Drop stitches are formed over the course of two rows. On the first row, insert the right needle knitwise into the first stitch on the left needle. Wrap the yarn four times around the point of the right needle as shown above and complete the knit stitch as usual.

On the second row, knit into the first stitch on the left needle, slipping off the extra wraps for that stitch. An extra-long stitch is formed, as shown above on the right needle. Drop stitches can involve any number of wraps (yarnovers). The more wraps, the longer the stitch.

"This vest is so much fun because it's long and flowy. You can wear it dressy or with jeans," says Melissa Matthay about her sleeveless tunic stitched in Bernoco, Inc.'s "Quest." The drama of the length is enhanced by a 3.5"/4cm quadruple yarnover drop-stitch pattern, as well as by closure ties crocheted with no fewer than four strands of yarn.

20

19

Above: The meshlike appearance here derives from knitting two stitches together before a yarnover on one row, then knitting the next. It is worked in Kollage Yarns' "Radiance," which is used doubled from the nine cast-on loops until the scarf reaches its intended length of 50"/127cm.

Left: This skinny scarf, a mere 9 stitches and 4"/10cm wide, is a whopping 72"/183cm long. A simple two-row pattern of single yarnover drop stitches is worked in Lion Brand Yarn's "Trellis."

STITCH WORKSHOP

Ladder Stitch

The ladder stitch in this pattern is formed on the bind-off row of a piece worked in stockinette stitch. At the right edge of the photo above is a completed ladder, followed by five bound-off stitches. To form the next ladder, drop the first stitch off the left needle.

Pull out the dropped stitch on each row below the initial dropped stitch, all the way to the cast-on edge. Before binding off the next group of five stitches, pull up the last loop on the right needle to a length equal to the width of the ladder just formed.

grand
OPENINGS

Opposite, left: A tent-shaped circular poncho is made with "Point 5" from Colinette/Unique Kolors, a festive thick and thin novelty yarn. Recurring rows of triple yarnover drop stitches and openwork combine to form the airy body that's accented by a fanciful loop-stitch pattern at the neck and lower edge.

This page: The trick to the openwork on this long-sleeved cropped boat neck, worked from side to side in stockinette, is to drop a stitch on the bind-off row and let it ladder all the way down to the cast-on edge. "Moonlight Mohair" by Lion Brand Yarn lends touchable texture.

This page: All our stockinette mittens with ribbed cuffs are knit in the round with five double-pointed needles (see pages 60 and 61 for a detailed tutorial). The stripes on this pair are peppered with alternating solid-color and variegated yarns.

Opposite: There are two ways to tackle the argyle on this fun Fair Isle duo: Either knit it right into the front or embroider it in afterward using duplicate stitch.

All "smitten mittens" are knit in "TLC Essentials" by TLC/Coats & Clark.

mittens

These mates earn their stripes through bold color and an easy two-row hue-change pattern.

A quartet of complementary
hues grace this twosome.
Why not rifle your stash for
enough same-gauge yarns
to stitch up a unique set?

and here's how...

1

Knitting mittens in rounds on 4 needles (plus 1 working needle) eliminates the need for most seaming. Work the ribbing first, followed by increases up to the base of the thumb. Place the thumb sts on a holder—either a strand of yarn or a safety pin will do.

Fit tips: The number of thumb stitches is usually about half the number of hand stitches minus 4 to 6 stitches.

2

Stitches are decreased to shape the top of the mitten. Work slip 1, knit 1, pass the slip stitch over (SKP) to slant the decrease line to the left; knit 2 stitches together (k2tog) to angle the decrease line to the right. When all decreases are made, cut the yarn and thread it through the remaining stitches, pull tightly to gather and fasten off.

27

4

Don't be afraid of double-pointed (dp) needles: Just pull tightly going from one needle to the next to avoid making gaps.

Knit the hand of the mitten until it's long enough to cover your index fingernail, then start shaping the top.

3

To knit the thumb, divide the stitches between 3 needles and pick up and knit a few stitches on the hand of the mitten to avoid creating a hole. To get a good fit, knit in rounds until the piece covers half the thumbnail. Then, work the final decreases and close as for top of mitten.

4

Once you've mastered this basic mitten pattern, let it be your canvas for experimenting with color, style and texture. Just keep in mind the most important lesson you've learned so far: Take time to get the correct gauge.

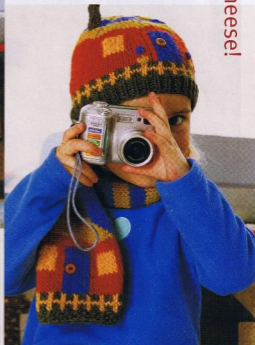

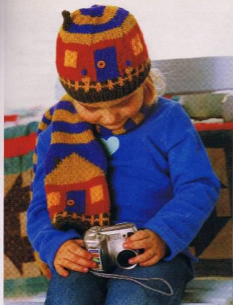

the rainbow collection

This page: A garter-stitch jacket by Katherine Hunt is elevated by its dynamic details: curved front panels that close with toggles, contrasting piping along the seams and edging, raglan sleeves and a stand-up mandarin collar. The main body is worked in "Color Waves," the trim and ribbing on the matching hat in "Wool-Ease," both by Lion Brand Yarn.

Opposite: Boy kid will feel right at home in Amy Bahrt's cozy hat-and-scarf set knit in Classic Elite Yarns' "Montera." The striped stockinette muffler boasts an intarsia fence and house (with button doorknob) at either end and is finished with seed stitch. The topper has a ribbed brim and a seam on pop-up chimney.

Armhole shaping

Bind off 5 sts at beg of next 2 rows. Dec 1 st each side every other row 16 (17, 18) times. Change to size 10 (6mm) needle and bind off rem 14 (16, 18) sts loosely on WS.

LEFT FRONT

With size 10 (6mm) needles and MC, loosely cast on 17 sts. Change to size 9 (5.5mm) needles and work in garter st and inc at front edge (end of RS rows, beg of WS rows) 2 sts once, 1 st every row 7 (9, 11) times, 1 st every other row 5 times, every 4th row 3 times—34 (36, 38) sts. Work 2½ (2½, 3)"/6.5 (6.5, 7.5)cm even. Place a marker at front edge to be used for collar trim placement. Dec 1 st at front edge on next row, then every 4th row 3 times more, every other row 12 (13, 14) times, AT SAME TIME, when same length as back to armhole shaping, shape armhole at side edge

as foll: Bind off 5 sts once, dec 1 st every other row 13 (14, 15) times.

RIGHT FRONT

Work to correspond to left front, reversing all shaping.

LEFT SLEEVE

With size 10 (6mm) needles and MC, loosely cast on 26 (27, 27) sts. Change to 9 (5.5 mm) needles and work in garter st, inc 1 st each side every 4th row twice, every 6th row 6 (7, 8) times—42 (45, 47) sts. Work even until piece measures 8 (9, 10)"/20.5 (23, 25.5)cm from beg. Place marker each end of row for beg of raglan armhole. Work 1"/2.5cm more (this will later be sewn along 5 bound-off armhole sts on front and back).

Raglan cap shaping

Dec 1 st each side every other row 13 (14, 15) times—16 (17, 17) sts. Cont to dec 1 st at beg of RS rows (back edge) 3 times more, AT SAME TIME, at beg of next WS row (front edge), bind off 7 (8, 8) sts once and 2 sts twice. Bind off rem 2 sts.

RIGHT SLEEVE

Work to correspond to left sleeve, reversing shaping at top of cap.

FINISHING

Note When picking up edge sts for trim, do not work stitch for stitch. The boucle texture makes it impossible to see the stitches clearly, and it is necessary to pick up more stitches than there are on the edge. Simply push the point of the needle into the edge at the appropriate spot, and pull up a stitch, ensuring that it is well anchored. Adjust the number of stitches picked up, if necessary, to ensure that trim lies flat without stretching or puckering.

Cuff trim

With RS facing, 2 strands CC and size 9 (5.5mm) needle, pick up and k 30 (31, 31) sts along lower edge of sleeve. Bind off knitwise on WS.

Front raglan trim

Working trim as on cuffs, pick up and k 35 (37, 39) sts on left front from beg of armhole to top. Rep along right front from top to beg of armhole. Work trim along back raglan armholes in same way.

Lower edge of back

Working trim as before, pick up and k 72 (78, 84) sts along lower edge of back.

With matching smooth yarn, sew sleeves to fronts and back.

COLLAR

Pick up and knit for collar from markers on fronts as foll: With RS facing, smaller circular needle and MC, pick up and k 36 (38, 40) sts from marker on right front to armhole trim, 13 (14, 15) sts around top of right shoulder, 15 (17, 19) sts across back neck, 13 (14, 15) sts around top of left shoulder, and 36 (38, 40) sts down left front to marker—113 (121, 129) sts. Rep in seed st and short rows as foll: **Row 1 (WS)** Work in seed st to the last 5 (6, 7) sts, w & t. **Row 2** Rep row 1. **Rows 3 and 4** Work to last 13 (15, 17) sts, w & t. **Rows 5 and 6** Work to last 21 (22, 27) sts, w & t. **Rows 7 and 8** Work to last 29 (33, 37) sts, w & t. Leave sts on circular needle for trim pickup.

Note There is no need to hide the wraps from the short turn shaping, as they are hidden within the boucle.

Fronts and collar trim

With RS facing, 2 strands CC and size 9 (5.5mm) circular needle, pick up and k 59 (61, 63) sts from lower side edge of right front up to marker, 113 (121, 129) collar sts to marker on left front, and 59 (61, 63) sts from marker to lower side edge of left front—231 (243, 255) sts. Bind off knitwise.

Buttons and button loops

Overlap the right front in place over the left front, so that overlapped fronts measure the same width as the back. Mark the position for 3 buttons on the left front, abutting the edge of the right front, as shown in photo. Sew buttons in place, with the flat buttons on the reverse side of the fabric for support. Tie a knot in the center of each black elastic. Sew one loop underneath the right front edge, opposite each button, leaving the other loop to go over each button.

With matching smooth yarn sew side and underarm seams, aligning ends of trim.

HAT

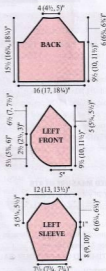

Note Hat is worked back and forth, not circularly, so use straight needles if preferred. With CC and size 9 (5.5 mm) needles, cast on 66 (72) sts. **Row 1 (RS)** K6, pm, [k11 (12), pm] 5 times, k5 (6). K 5 rows. **Row 7** *K to next marker, sl marker, k2tog; rep from * 5 times more, k to end—60 (66) sts. K 5 rows. Rep row 7. Rep last 6 rows until there are 48 (54) sts. Change to size 7 (4.5 mm) needle. K 3 rows. Rep row 7. Rep last 4 rows until there are 36 (42) sts. K 1 row.

Rep row 7. Rep last 2 rows until there are 18 sts. Remove markers. K2tog across row. Draw a piece of matching smooth yarn tightly through rem 9 sts, leaving an end long enough to sew back seam.

BRIM

Note The WS of the hat is the RS of the brim.

With WS of hat facing, 6 (4mm) needles and CC, pick up and k 93 (101) sts around the lower edge of the hat. **Row 1 (WS of brim)** K1, *p1tbl, k1; rep from * to end. Change to 7 (4.5 mm) needle. **Row 2** P1, *k1tbl, p1; rep from * to end. Cont in rib as established for 1 (3) rows more. **Next row** Work rib as before, inc 1 p st (p into front and back of st) in every other p st. Rib 5 rows more. **Next row** Inc 1 p st in each rem single p st, except first and last p st. (Note RS of rib row becomes p1, *k1tbl, p2, ending k1tbl, p1.) Rib 3 rows more. Bind off in rib.

FINISHING

With RS facing, sew back seam of hat with tail of smooth yarn. With CC, sew seam of brim.

Optional: Turn the brim up in place over the hat, with approx $\frac{1}{2}$ "/1.5cm of MC showing at lower edge. With a strand of matching smooth yarn, secure the fold by working a running st just below the base of brim, catching both thicknesses of the hat fabric, concealing the sts under the boucle texture. ✦

Bring floss across to the opposite side of ring, making sure it is taut, then sew securely to ring. Remove needle, leaving a 20"/51cm end (for string). Working in the same manner, attach three rem lengths of floss, spacing them evenly around. For hanger and center string, cut a 50"/127cm length of floss. Thread floss into tapestry needle. Working about 20"/51cm from free end (for center string), sew securely to where strings cross and meet in the center. Remove needle leaving the rem end for hanger.

Stringing

For hanger, thread on a small B snail. For center string, thread on an x-small E snail, then sew string to base of dip in top of heart, so distance from base of string to dip is approx 6 1/2"/16.5cm. Slide B and E snails along strings so they meet, then sew tog. Working from right to left, attach elements onto rem strings as foll:

String 1 Sew string to top of butterfly, so distance from top of butterfly to ring is approx 11"/28cm.

String 3 Sew string to top of elephant, so distance from top of elephant to ring is approx 9 1/2"/24cm.

String 4 Thread on a small D snail, a small C snail and a large F snail. Secure string to bottom of large snail, so distance from bottom of snail to ring is approx 12"/30.5cm.

String 5 Thread on small C ball, then large F ball. Secure string to bottom of large ball, so distance from bottom of ball to ring is approx 12 1/2"/31.5cm.

String 6 Thread on a small B snail, then a small D ball. Secure string to bottom of ball, so distance from bottom of ball to ring is approx 12"/30.5cm.

String 7 Sew string to top of horse, so distance from top of horse to ring is approx 10"/25.5cm.

String 8 Thread on an x-small E snail, a small D snail, then a large B snail. Secure string to bottom of large snail, so distance from bottom of snail to ring is approx 12"/30.5cm. ♦
